### Fireworks and Burn Permits

Hello my fellow Woodlands HOA residents,

As we approach the heart of our summer festival, specifically the 4<sup>th</sup> of July, I want to ask the individuals who plan on utilizing fireworks for their own use to please refrain from using them within the Woodlands HOA.

Recent fire audits show that because of close timbered areas we are particularly vulnerable to fire and areas closest to Knokes property would possibly be indefensible.

Given the recent environmental conditions the City of McCall Fire Department has stopped issuing burn permits and there are no fireworks allowed on State or Federal lands because of it.

If your home is currently occupied by renters please provide them with this information.

Thank you for your anticipated cooperation and stay cool during this current heat wave.

Cheers,

Michael Everett, President  
Woodlands HOA
