WHOA January Letter-Nokes Property Trespass

Happy New Year Everyone!!

I hope this letter finds you and your family well. With the struggles of last year, I think most everyone is hoping 2021 will bring more of a positive vibe! With that said, there are a few things that I would like to make you aware of.

In the annual meeting I introduced our neighbors to the north of the neighborhood, the Nokes Family Limited Partnership (NFLP). They were concerned about the trespassing that they have observed from some of our residents. Barbara has contacted me again and said they have observed some Nordic ski trails in their property originating from the Woodlands. They have also made it known that they are going to be logging this winter. They will be thinning and will be adding a new fence in the spring. The logging project will make it extremely dangerous for anyone without permission to be out there.

We ask of all of you to please be good neighbors and refrain from trespassing in the NFLP. We are their neighbors and we would hate for them to find another way to stop the trespass.

Thank you for your understanding in this matter!

All of you have been great people to get to know, and it's my pleasure to call you all my neighbors!!
