WHOA Spring Mountain Rd Construction Info

Dear Homeowners,

I just wanted to make you aware that at the bottom of our street (Woodlands Dr) there is a flagger. Spring Mountain Road is under construction. They are working on the manholes today near our entrance.

Starting next week, Monday June 7 to 18, from 7am-7pm there will be a 30-minute wait to access Spring Mountain Road and our subdivision. Flaggers will be present and a pilot car will need to be followed. They will not be taking lunches so it will be a constant stop and go 30 minutes at a time.

They did tell me it would be two weeks of construction, but I would not be surprised if it lasts longer so just be aware that the time frames could change.

Good luck and plan accordingly!
