Summer is finally here and so is Road Construction!

Dear Woodlands Homeowners:

This is to share some info about local road construction:

1- City of McCall is improving our streets and many detours are in place and seem to change every few days. To see more info about the 3 primary projects, go to the City's Public Works projects website page:

[HERE](#)

2-We just recently heard that the Deinhard and Spring Mountain intersection in front of the Middle and Elementary Schools entrance will be closed from:

**12 noon on Sunday, June 25, to
6am Monday, June 26 -- at least.**

This assumes the work goes as planned.
Of course this timing could change.

This closure means we'll only be able to turn right out of Woodlands Drive to exit the area while this work is underway. Presumably there'll be signs so those of you towing something aren't impacted too much.

We've asked the City where to see an overall map of the changing detours and closures and/or to get notices of changing closures. We were only able to get the City website page link above and that if anyone has questions or concerns about the Deinhard project, the project manager should be contacted:

We hope you have a fun and safe summer,

Woodlands HOA Board
