McCall Neighbors, let's shape the future together! 📍 As a consultant for Pine Creek Ranch, I'm excited to invite you to a Community Input Open House!

📅 Date: March 20, 2025

🕒 Times: 9:30 AM - 12:00 PM AND 5:30 PM - 8:00 PM (Two sessions to fit your schedule!)

📍 Location: The Evergreen Hotel McCall Meeting Room, 210 N. Third Street

Pine Creek Ranch is envisioned as Housing for All Generations in McCall. The developer, a local Idahoan, is committed to meeting the needs of our community. I started my consulting company to champion community-driven development, and here's what's important to me:

- Local Workforce Housing: Ensuring that our teachers, first responders, and other essential workers can afford to live where they work.
- Helping to Tailor the Project: Giving McCall residents the opportunity to help tailor the project to best meet community needs.

This Open House is your chance to:

- Learn about the project vision
- Participate in Q&A sessions with the developer (and with me!)
- Help shape the future of McCall! (Teenagers especially welcome!)
- Enjoy snacks provided!

Let's work together to make Pine Creek Ranch a win-win for everyone. I'm committed to listening and advocating for a development that truly benefits
